Jan Kochanowski University, Kielce

Languages

English B2

I'm an ambitious and creative front-end developer, who is focused on further career progress in IT industry. I'm easy-going, open-minded person who achieves set goals.

In the period from 07/2021 to 04/2022 I worked as a junior front end developer in the GQ Group in Krakow. My main tasks were coding websites and online stores.

Currently, from 05/2022, I work as a Front-End Developer at iVision.pl. I am still coding websites, landing pages and shops using additional tools such as React, GIT, Composer and NPM.

Skills

React: functional/class components, Hooks, Redux, Material UI, CSS Modules, Styled Components, React Router

JavaScript: ES6+

HTML5, PHP, SQL, Local Storage

CSS: SCSS, RWD, Bootstrap, BEM

Testing: ESLint, Jest

DevTools: Webpack, Git, npm, Yarn, React Developers Tools, Composer

Project management: ActiveCollab, Confluence, Jira oraz Trello

IDE: VS Code / PHP Storm
